Device as a Service (DaaS) Workflow

At this time the services aspect of the DaaS offering is limited to Windows Devices *(Laptops, Desktops, Tablets, Workstations, etc.)*

Additional items (ADD-ONS) can be added so that all items are included in a single contract for one monthly payment.

DaaS Subscription Items (Leased)

Windows OS Devices: *Laptops, Desktops, Workstations, Tablets, etc. (excluding refurbished Windows Devices)*

SECTION 1: Windows OS Devices (DaaS Subscription)			
MFR# D&H Item#	Item Description	End User Per Unit Price	Quantity

Non-Subscription Items (Financed)

Add-On Items: *Non-Windows OS device items such as peripherals, networking, data storage, digital displays, licensing, warranties, etc.*

SECTION 2: Add-On Items (Non-Subscription)			
MFR# D&H Item#	Item Description	End User Per Unit Price	Quantity

REQUEST A DAAS QUOTE

Requests for DaaS quote should be emailed to DaaS@dandh.com and include the following information:

- ❑ **D&H Item# and/or MFR#**
- ❑ **Quantity** – If unsure of the exact quantity please provide an estimation or range, otherwise quote will be provided using quantity 1.
- ❑ **Partner Discounts & Deal Registrations** – Be sure to provide Partner Discounts & Deal Registration information at the time of request so that such discounts can be applied/reflected in the quote as Partner Discounts are stackable with DaaS pricing *(i.e.: Lenovo NCB, HP Big Deals/NBO etc.)*.
- ❑ **End User Per Unit Price** – The per unit mark-up price you wish to charge your Customer for each item; *If not yet determined, we will use the ERP.*
