

## **ProAV & Collaboration** solutions

**Dynamic, Fully Customized ProAV Solutions** for Multiple Applications & Markets

Reception/Lobby | Self-Serve Kiosks | Digital Classroom | Healthcare/Telemedicine Government | Finance | Hospitality | Retail | Home Theater | Al Smart Signage House of Worship | Esports | Restaurant/Café | Command & Control | Connectivity

No other technology has the power to connect, impress, influence, entice, and empower an audience, instantly, like ProAV & Collaboration.

As the nation continues to navigate the current environment of physical distancing, remote access, and hybrid meeting models, ProAV capabilities extend well beyond traditional applications. From Queue Management and Routing/Wayfinding to Telemedicine and Collaboration, ProAV, Digital Signage & Collaboration solutions play a fundamental role in creating safer environments and, in turn, better customer experiences.
