ConnectWise Automate Standard Agents

Automation allows you to decrease costs and scale your company.

- » **Better business decisions** being made which bring a higher ROI.
- » **Less reactive tickets** being created which leads to less downtime for customers and higher customer satisfaction.
- » **Increased value** to customer with effective reporting and faster resolution times.
- » **Do more with same staff.** Because technicians are able to resolve issues faster. This allows you to manage more customers without hiring additional staff.
- » **Higher margins.** Increased revenue through invoicing automation and better decreased costs.

ConnectWise Manage Standard | Premium

Increase Revenue and Decrease Costs

- » By working in disparate systems, you're not only creating inefficient employees but also falling victim to duplicate data entry errors, which can cost you over 25% of your revenues. Connect everything in your business from start-to finish and put an end to the chaos.
- » Decrease routine admin work: ConnectWise leads to streamlined project/ticket status updates that decreases the cost of customer support by \$247,418. Do more with less!
- » ConnectWise Manage creates a single flow of information from start to finish, keeping all team members in the loop.

ConnectWise Sell Premium

Reduce Manual Admin Work and Protect Precious Margins

- » Forrester TEI Reports customers averaging quote creation at 2 hours less per quote. That means a sales person could potentially save 10 hours a week just creating 5 quotes! That is time to close some deals.
- » Leverage templates to reduce the amount of time it takes to prepare a quote or proposal, and look great every time.
- » Pull live pricing and availability from top technology vendors and distributors.
