

**Skins. Supplies. Space.**

It's all here for the taking. Gears has unleashed a bigger, bolder universe—and now there's a bigger, bolder hard drive to contain it. Featuring the iconic omen encased in ice, this special edition portable game drive dishes out expansive capacity for 50+ titles and battle-ready bonus content for surviving in the harsh and unforgiving territory of Gears 5.

Designed for **XBOX**

**2TB**

**Store 50+ Games in One Portable Drive**  
 Dread clearing the best classics from the Xbox console just to make room for new releases? Not anymore. Game Drive for Xbox offers enough storage space to keep loads of games in one place.

**Unmistakable Style. Exclusive Supplies.**  
 Emblazoned with the icebound omen, Game Drive for Xbox is a chillingly stylish collectable that includes a special Ice Block Lancer Weapon Skin and Supply Drops.

**Plug-and-Play Portability**  
 Xbox automatically detects the Game Drive once it's plugged in and offers fast step-by-step installation. When taking it to a friend's house, simply log on using the Xbox Live login of the drive's original owner.
