# Why Thule Group?

**Designed with a purpose:** Every product within the Thule Group portfolio is designed with a purpose. From smart organization features to impact foam padding and premium materials, each detail has been considered to deliver high-quality products built to last.

**Testing:** In the equivalent of 5 tennis courts, we have over 50 employees working in our world-class test center. From fall, impact, shock, and strength testing, we conduct various tests to ensure our products will last the test of time.

**Broad product offering:** With both the Thule and Case Logic brands, we have many products to fit different needs at various price points to meet any organization's requirements.

**Special Pricing and Demo Units:** Let us get you the right products for your budget. We have a free demo unit program along with the ability to provide special pricing on deals over 100 units.

## Focus on sustainability in all aspects of what we do
