MATCH PAYMENT TO USE

CUSTOMER CHALLENGES

- Customer seeing a revenue decline and need to match cash flow to expected or real increased activity.
- Need to schedule new IT deployments but lack liquidity for upfront purchase.
- Customer has a large rollout and cannot have delays.
- Customer needs to de-risk supply chain constraints.

NEW HPEFS SOLUTION

Extended Deployment:
Need technology today, but budget cycles not aligned? This phased deployment program allows you to acquire tech with the ability to configure, test, and stand up systems before paying.
EXTENDED DEPLOYMENT

- Avoid long internal procurement cycles & multiple budget approval processes.
- Ability to pre-order and warehouse tech that may be affected by supply chains.
- Align Deployment and spend with activation.
- Configure test and deploy prior to payment.

ACQUIRE NOW, PAY WHEN DEPLOYED

1. Obtain up to 12 months of tech, and only pay when activated
2. Allows for phased deployment or spare tech pre-ordering
3. Pre-select a rollout/activation schedule (monthly or quarterly)
4. Predictable monthly payments based on activated units
5. Available with entire HPE product portfolio
6. Minimum transaction size is $100,000 USD

RELIÈVE CAPACITY STRAIN OR DELIVERY DELAYS

CUSTOMER CHALLENGES

- Customer has requirements for additional capacity stemming from increased in compute.
- Need large supply of bare metal laptops to support increased remote workforce.
- Need to increase current capacity today while they bridge solutions to newer technology.

NEW HPEFS SOLUTION

Certified Pre-Owned Tech: Full portfolio of data center equipment is available “off the shelf” or custom-configured to meet almost any budget or circumstance.

Rentals: Rent certified pre-owned HPE tech from 3 to 12 months. Equipment is factory-configured and available with warranty and eligible for HPE Pointnext services. A 12 month new PC rental option is also available.
CERTIFIED PRE-OWNED

PREVIOUS-GENERATION HPE TECHNOLOGY TO ADDRESS A VARIETY OF SITUATIONS

- Authentic, authorized OEM equipment. Certified and meets HPE OEM standards
- Available for components, parts, and subassemblies, feature upgrades, or whole systems
- “Off the shelf” or custom-configured
- Comes with standard 30-day warranty and eligible for additional HPE maintenance and support
SHORT TERM RENTALS

• Rent certified pre-owned HPE technology from 3 to 12 months.
• Ideal for seasonal server or storage capacity management, data center moves or consolidations, or disaster recovery coverage.
• A short term solution to bridge the gaps between IT projects at a fraction of the cost of buying new equipment.
• Equipment is factory-configured to your specifications.
• Available with warranty and eligible for HPE Pointnext support services.
• May include components, feature upgrades, whole systems or multi-vendor hardware.

PC RENTAL PROGRAM

• Available on new HP PC hardware.
• Rental period of 12 months.
• Eligible on a wide range of HP configurations.
• May include select software, software appliances, services, and installation packages.
• Available globally for customers of all sizes.
• After 12 months, the rental devices can be extended, purchased or returned for an upgrade.

RENTAL EXAMPLE: $400 PER UNIT

Pay ~ 6.5% of the solution value per month

$400 x 6.5% = $26 per month
