Technology to Keep You on Track

Right now, we're seeing an unprecedented shift to working from home. And that means adapting to all new ways of doing business. By outfitting your home office with the right technology, you stay productive and on task, no matter where you work.

 Windows 10

Lenovo recommends Windows 10 Pro for business

The Work From Home Tech Bundle

Recreate your office setup for maximum productivity and security, while saving big with our new, Work from Home Tech Bundle, which includes a powerful ThinkPad laptop powered by an AMD and a ThinkVision monitor, perfect for enhanced multi-tasking.

ThinkPad T495

ThinkPad X395

ThinkPad T495s

Did you know that a second monitor can increase productivity by **up to 30%**, saving an average of **2.5 hours per day**?¹

The Benefits of AMD

Why choose a Lenovo laptop powered by AMD? AMD processors deliver power and security, with fully encrypted memory as a standard feature, and up to 2x faster performance than PCs older than two years.

HELPS AGAINST COLD BOOT ATTACKS
SUPPORTS WINDOWS 10 SECURITY

FASTER PERFORMANCE
THAN A 2 YR OR OLDER PC

ON THE **LENOVO THINKPAD T495S NOTEBOOK**
POWERED BY **AMD RYZEN™ 7 PRO 3700U** PROCESSORS
