

orbi™ PRO

Better WiFi for Business.  
Everywhere.

Maximize your WiFi speeds to every  
inch of your business and beyond

## Why Orbi Pro

### Goodbye wires

No wiring required thanks to a fast, dedicated wireless connection between router and satellite.

### Business-minded WiFi

All the business features you need for fully secure, blazing fast AC3000 WiFi.

### Setup is a breeze

Preconfigured and ready out of the box, use the Insight app to set up your Business WiFi in minutes and monitor from anywhere.

### Grows with your business

Connect additional satellites to add more coverage to your business WiFi indoors and outdoors.

### Large spaces are no problem

Orbi Pro's got it covered. Extend your WiFi range further than before. Add up to 6 satellites to the Orbi Pro Router.

NETGEAR®  
BUSINESS

# Why Orbi Pro

**NETGEAR**  
BUSINESS

## Your business is growing, your WiFi should too!

Orbi Pro can easily support the WiFi devices of your new employees and guests. Get seamless connectivity throughout your business.

The NETGEAR® Orbi Pro AC3000 WiFi System comes with 3, 4, 5 and 6-pack configurations and all deliver fast WiFi coverage. Each Orbi Pro Satellite has 4 Gigabit Ethernet Ports for wired connectivity.

## Goodbye weak signals and dead zones

Orbi Pro satellites can be placed anywhere near a dead zone and within minutes, the new satellite will deliver reliable tri-band WiFi to those hard to reach areas.

No wires, no more dead zones, no problem.

## Keep your company, employees, and customers connected

The Orbi Pro System comes with 3 pre-defined networks for traffic separation with different levels of network access.

## Need more coverage? Orbi Pro's got it handled.

Extend your WiFi range further than before. Add up to 6 satellites to the Orbi Pro Router.

### Coverage

SRK60B03	SRK60B04	SRK60B05	SRK60B06
7,500 sq ft	10,000 sq ft	12,500 sq ft	15,000 sq ft

SRK60B04 shown

### Blazing-fast 3 Gigabit AC WiFi

**AC** Reliable and high-performance AC3000 WiFi for up to 15,000 sq ft with optimized simultaneous connections for up to 40 users (MU-MIMO).

### Separate Guest User Access

**🔒** Orbi Pro comes with 3 predefined networks with traffic isolation for network owner/administrator, employees and customers. And includes a customizable guest portal.

### Location Flexibility

**🏠** Orbi Pro can be simply placed on a tabletop or mounted easily to any wall or ceiling to fit in any corner of your business.

### Wire-free Installation

**📶** No need to run cables. Power up the Orbi Pro Satellite and it will automatically connect to the Orbi Pro Router.
