DaaS Pricing & Term Options

The price structure is comprised of the following formula.

\[ \text{Total Cost* of DaaS Solution} = \text{Windows Device} + \text{Built-In DaaS Services} = \text{DaaS Per Unit Monthly Cost} \]

Contract’s total per month price is contingent upon the desired Term:

- **24 Month**
  - Total Cost of DaaS Solution financed for a 24 Month Term

- **36 Month**
  - Total Cost of DaaS Solution financed for a 36 Month Term

*Finance charges may apply.*
