Customers agree: you won't find a better surge protector than Tripp Lite by Eaton!

Millions of customers trust Tripp Lite by Eaton to protect sensitive electronics in their homes and offices. Read what some of these customers have to say about our surge solutions:

Hands down the best

"The most versatile and cost-justifiable surge protector I have ever purchased in over 50 years of purchasing electronic equipment."

Robert
Verified Buyer

Great product

"Amazing warranty. A must-have for equipment you want to protect."

Luke
Verified Buyer

Tripp Lite is the best

"I purchased a replacement for one that saved me thousands of dollars during a recent lightning storm. Great peace of mind."

JC
Verified Buyer

5-star product that delivers

"Easy to install. Feel totally protected. Contacted customer support and they are the best - helped me through all of my questions."

Mike
Verified Buyer

The Swiss army knife of surge protectors

"Functional, adaptable, portable, attractive and compact for traveling. It's made by the company with THE best reputation in surge protection."

Jeffrey
Verified Buyer

Will buy again when we need the best

"We had the brand before, so when it was time to get new ones, this was the only company that came to mind. We purchased eight, that's how much we love the product."

Brien
Verified Buyer

Must have!!

"Awesome product and perfect protection for my expensive audio equipment...can't be without it!"

Ken
Verified Buyer
