HPE Smart Choice for D&H MSPs and VARs

Unlock Effortless Efficiency and Competitive Edge

HPE Smart Choice caters directly to D&H VARs and MSPs, streamlining your operations with rapid quotes, expedited shipping, and remarkable transactional ease. Benefit from ready-to-deploy, fully configured HPE ProLiant servers that are not just speedily quotable but also promptly shippable, giving you a substantial head-start against the competition.

Optimized Configurations

Access server solutions smartly curated across popular SKUs to meet diverse demands.

Seamless Transactions

Experience the ease of 'no touch' transactions crafted for dynamic deal acceleration.

Unbeatable Offers

Get the best deals with channel stocking offers purpose-built for your budgetary benefit.

Rapid Quoting

With our quick quoting system, powering through proposals has never been faster.

Swift Shipping

Next day shipping potential ensures you stay a step ahead in market responsiveness.

Understanding Your Landscape:

You face the challenge of rapid deployment and cost-effective solutions. HPE Smart Choice isn't just a solution; it's your partner in growth. It's a strategic initiative designed to support your swift pace and to fortify your competitive stance with pre-configured servers that promise next-level performance and expediency.
