

MigrationWiz, the industry-leading SaaS solution for mailbox, document, public folder, and Microsoft Teams migrations.

Accessible at any time from anywhere, MigrationWiz provides a single, centralized interface to streamline everything from simple mailbox moves to complex enterprise-scale migration projects that include all your workloads.

Migration Licenses:

Find the plan that's right for your migration scenario and project. Our flexible and simple licensing model helps you focus on the thing that matters most: moving your users and data to a new environment, without interruption.

Tenant Migration Bundle

For moving and consolidating data between Microsoft 365 tenants.

- Migrates all Microsoft 365 workloads: Exchange Online, OneDrive, SharePoint Online, and Microsoft Teams
- Ideal for projects of 50 users and above
- Includes 1 UMB license and 1 Flex license (Choose from Collaboration or Shared Documents licenses)
- Data limits apply

User Migration Bundle

Single license for mailbox, documents (OneDrive, Google Drive and Dropbox), and archives.

- Mailboxes (email, contacts, calendars, journals, notes tasks, and rules where applicable)

Plus

- Documents (OneDrive, Google Drive, Dropbox)
- Personal Archives
- Outlook Configuration (DeploymentPro)
- Microsoft 365 Tenant to Tenant Coexistence
- No Data Limit

Collaboration Migration (Microsoft Teams)

Migrate Microsoft Teams between tenants.

- Move Teams, channels, private chats, conversation history, files, OneNote, Planner, permissions, and more
- Autodiscover and import Teams
- Monitor and manage project at the individual Team level
- 100 GB data limit

Mailbox Migration

Full fidelity mailbox migration migrations.

- Mailboxes (email, contacts, calendars, journals, notes, tasks, and rules where applicable)
- Wide roster of supported source and endpoints
- 50 GB data limit

Shared Documents

Migrate to SharePoint, Microsoft 365 Groups document library or Google Shared Drives from any supported source.

- Migrate files, folders, permissions, versions, and metadata
- Any Source to SharePoint Online, Office 365 Groups
- Google Shared Drive to Google Shared Drive
- Select the 50 GB data limit per license or 100 GB data limit per license

MigrationWiz Onboarding

Expert help and guidance for migrations before your project begins - from start to finish.

- Dedicated customer success expert
- Configuration planning and set-up
- Definition of project scope, strategy, and success criteria
- Choose from Enterprise, SMB and or first-time-use packages
