

DaaS Pricing & Term Options

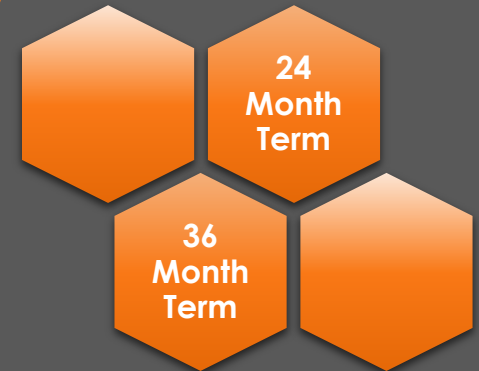

The price structure is comprised of the following formula.

Contract's total per month price is contingent upon the desired Term.

Total Cost* of DaaS Solution

*Finance charges may apply.

DaaS Price Sheet

Sample End User Pricing*

*Sample End User Pricing not for quoting purposes. Listed prices are estimated DaaS End User pricing and subject to change based on unit cost, DaaS services and approximate financing rate factors.

As the Reseller,
you determine the
End User's price for
the Device and
Add-On item(s)

The DaaS Subscription
Services and Leasing Rate
Factors are built-into the
program and included in
the monthly cost.
