Prerequisites:

General understanding of Enterprise Networking and Cloud Managed Networks

Join D&H for a 360° View of the Meraki Full Stack!

Meraki360 is a one-day D&H CiscoPRO training course designed for System Engineers to familiarize themselves with the complete portfolio of Cisco Meraki products. They will learn configuration scenarios and selling strategies for the full end-to-end Meraki solution including Security, Switching, Wireless, Voice, Video, and EMM.
